#4 Additional Cost You Can Expect to Incur

- Vaccinations
- Meals
- Additional Ground Transportation: You may want to set aside approx \$40 a day (4days) for emergency transportation. Some of the host pastors may not have a car and you may need to take a taxi to your assignment. The key is to be prepared for the worst, but most pastors will provide transportation for you.
- Tips
- Offering At Worship Services (Recommend \$50 on first day so church does not have to struggle for additional cost they may incur while having you as their guest)
- Note: Guyana is a Developing Country which means besides the hotel you will find very few places that accept credit cards, bring enough cash that you would normally need for food and necessities when you travel. Exchange rate in Guyana is 208:1.

#5 Dress Code/Luggage

- For All Evening Worship Services, Tuesday Evening Meeting – Business Casual, Slacks (ladies casual skirt) and Casual Shirt (short sleeve golf shirt is fine)
- Sunday Worship, Suit Tie & Shirt, (Ladies Dress or Skirt & Blouse)
- Daytime events, shorts of reasonable length, down dress is fine.
- You may need one outfit that you do not care about depending on your mission project on Friday.
- Pack bottle water for drinking and brushing teeth. (Cannot be in carry on bag.)
- International Travel Only Permits 2 Suitcases under 50lbs, and one carry on bag (Airline may change policies between now and July, check with airline prior to travel)

#6 Sermon Preparation

- Each Pastor will be assigned to one church. The goal is that each church will have pastors speak on Wed, Thurs, Fri. & Sunday.
- Lay Ministers/Associate Ministers may be assigned in pairs based on your pastor's recommendation/your comfort level.
- Lay Members should be prepared to read scripture, pray, lead a workshop or possibly teach Sunday school.
