July 2014 Guyana Mission Emersion

Dear Pastor / Ministry Leader:

Thank you for your interest in participating in the 2014 Guyana South America Mission Emersion. The Goals of this Emersion is to:

- Engage US Pastors/Lay Leaders in a 1 Week Mission Emersion that will enhance their local ministries.
- Give US Pastors an opportunity to develop partnerships in the 3rd World Nation of Guyana.
- Pastors/Church's who attend should go with hopes of creating a long-term relationship with their host church. One option is to sponsor your host church with \$200 worth of food each month through the Chosen 300 distribution network.
- Lay Members are also welcome to attend emersion and will be assigned to a church to assist a Pastor/Minister at a local congregation.

PREPARATION FOR THE TRIP:

#1 US Passport

- All Persons Attending the Trip will need a **US Passport** Issued No Later than April 30, 2014.

#2 Recommended Vaccinations

Most of the vaccinations can be obtained at your local Physician's office. We recommend going to your physician's office first to get as many of the shots you can in order to save on cost. At a bare minimum we encourage you to get the following shots:

- Hepatitis A & B Combo
- Hep A B Booster (Should be taken 1 month after the first Hep A B Shot; note: if you are going to continue to do mission travel it is good to get a second booster 6 months after your second A B Booster shot, it is our understanding that it covers you for a period of at least 20 years.
- Tetanus
- Flu Shot
- Malaria Pills
- Other Optional Shots Include: Typhoid Fever, Yellow Fever, Rabies
- PLEASE CONSULT WITH YOUR DOCTOR, WE ARE ONLY PROVIDING OUR BASIC UNDERSTANDING, use your own discretion and doctors advice to determine which shots are best for you)

#3 Transportation To/From Guyana

Air Transportation will be provided by Delta Airlines.

- Departure Flight: From JFK International Airport in New York on Tuesday July 8, 2014 at 12:50 AM and arrive in Guyana, South America at 8:15 AM (Note: These flights only travels to Guyana every 2 days).
- Return Flight: From Guyana on Tuesday, July 15, 2014 at 2:40 PM arriving at JFK, NY at 10:35 PM Eastern Time.

If you are coming from outside the Philadelphia area you will need to arrange your own connecting flight or ground transportation to JFK New York. (See Price Information In Application On Page 5).

#4 Additional Cost You Can Expect to Incur

- Vaccinations
- Meals
- Additional Ground Transportation: You may want to set aside approx \$40 a day (4days) for emergency transportation. Some of the host pastors may not have a car and you may need to take a taxi to your assignment. The key is to be prepared for the worst, but most pastors will provide transportation for you.
- Departure Cost – There is an exit fee when leaving the country of \$4000 GUY Dollars (\$20 US). This has to be in Guyana Money.
- Tips
- Offering At Worship Services (Recommend \$50 on first day so church does not have to struggle for additional cost they may incur while having you as their guest)
- Note: Guyana is a 3rd World / Developing Country which means besides the hotel you will find very few places that accept credit cards, bring enough cash that you would normally need for food and necessities when you travel. Exchange rate in Guyana is 200:1.
